DATE : May 16, 2022 | *Shawwal 15, 1443 AH*

1. In 2019, the Bangsamoro Government formulated its 1st Bangsamoro Development Plan which serves as the roadmap for the development of the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM). The 1st BDP outlined the priority thrusts and development direction of the Bangsamoro Government covering the period of 2020 to 2022.
2. Since the plan coverage of the 1st BDP ends in 2022, a successor plan shall be formulated by the Bangsamoro Government to sustain the gains and pursue the development direction, priorities, and strategies outlined in the 1st BDP 2020-2022.
3. The successor plan shall be known as the 2nd Bangsamoro Development Plan covering the period of 2023 to 2028. The 2nd BDP is a medium-term plan that will outline the development priorities of the Bangsamoro Government for the three-year extension of the transition period and beyond.
4. The formulation of the 2nd BDP 2023-2028 is also in time for the formulation of the six-year medium-term plan at the national level that will also outline the development agenda, thrusts, and priorities of the new leadership following the assumption of the next President after the national election in May 2022.
5. The **formulation** of the plan shall be consistent and aligned with the recently approved **Enhanced** 12-Point Priority Agenda of the BARMM and national development thrusts and **priorities**. Hence, all ministries, line agencies, and offices shall draw inputs from their respective provincial

With the threat of the COVID-19 pandemic and the “new normal”, the plan shall also integrate development priorities and interventions as stipulated in the Bangsamoro Response and Recovery Plan to sustain the development efforts, facilitate recovery from the effects of the COVID-19 pandemic and ensure the resiliency of the region’s populace to possible threats caused by emerging or reemerging infectious diseases.
7. The 2nd BDP formulation process shall be spearheaded by the **Bangsamoro Economic and Development Council (BEDC) through its five sectoral committees** with the assistance of the **Bangsamoro Planning and Development Authority (BPDA-BARMM)** being the technical secretariat of the BEDC.
8. The BEDC sectoral committees shall serve as the planning committees in the formulation of the 2nd BDP 2023-2028. As such, the sectoral committees shall have the following functions and responsibilities, to wit:
 - a. Identify and agree on the content of the Plan chapters and sections;
 - b. Meet with the provincial/municipal counterparts and other stakeholders during provincial consultations to discuss possible convergence and generate inputs for the 2nd BDP;
 - c. Consolidate and harmonize for consistency, the chapters/sections drafted by their respective sub-committees/TWGs, and ensure that sectoral and local (provincial/municipal) contribution to the attainment of the overall thematic outcome is reflected;
 - d. Review and finalize the 2nd BDP chapter write-up, Result Matrix (RM) and Bangsamoro Development Investment Program (BDIP);
