SUBJECT : 35TH GENERICS MONTH CELEBRATION

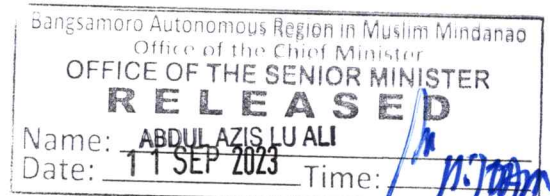

DATE : 21 Safar 1445 AH | 06 September 2023

1. Pursuant to Republic Act No. 6675,¹ September is commemorated as the **35th Generics Month Celebration** with the theme **"Kalusugan ay Palakasin, Generics Atang Tangkilikin."**
2. The theme advocates to strengthen the local capacity to produce generic medicines, as well as the optimal utilization of high-quality, low-cost medicines. Further, the theme promotes the fulfillment of the Medicine Access Framework, which aims to ensure equitable and sustainable access to essential medicines while reducing out-of-pocket spending and is in line with the Bangsamoro Government's 12-Point Priority Agenda for 2023 on Social Protection and Universal Health Care (UHC).
3. As a gesture of support, you are hereby enjoined to disseminate the information to the public by:
 - a) Displaying a tarpaulin on the façade of your office building; and
 - b) Engaging into activities that will increase the awareness of the Bangsamoro community on the availability of safe, quality and low-cost generics that can contribute to savings on healthcare costs related to medicines.
4. Please refer to this link <https://bit.ly/GenericsSMCs> for the tarpaulin design and other IEC materials.
